Austen W Constable

Creative Designer

I am a multi-disciplinary designer and a graduate of the UK design school, Brunel University. Highly computer literate, with a passion for product design, web design and development, and graphic design. Communication ability of the highest level.

Experience :	11/2002 - Present	AnytimeNow	UK/International
	New Media Design and Development (Part-time)		
	Lead designer and developer for www.anytimenow.com , a feature rich web based email service. Responsible for maintaining the live server, furthering the brand identity and developing code for the site. The site is produced using a combination of NT Services (C++), HTML, Javascript, and a bespoke database.		
	5/1999 - Present	New Media Creative	UK
	New Media Design and Development Freelance services including web design, multimedia CD's, and graphic design. For a portfolio of work please visit http://www.austenconstable.com		
Education :	12/2002 - 2/2003	The Beauchamp College	Oadby (Leicester), UK
	Substitute Design Teacher Responsibilities included teaching Design and Technology and Electronics to 16-18 year olds. Heavy usage of the wood, metal and plastics workshops.		
	5/2000 - 10/2000	FOL Networks Ltd	Leicester, UK
	Web Development + Design FOL Networks is the largest online information service and web portal for agriculture in the UK. I worked primarily in the design team, but liaised closely with the development team. The projects were produced in HTML, ASP (VB Script), Interdev, Dreamweaver, SQL and Photoshop/ImageReady. (www.farmline.com)		
	6/2002	Brunel University	Englefield Green, West London UK
Skills :	Product Design BSc Hons (2:1) A 4 year course dedicated to 'Total' design, the combination of technical ability with the development of the design thought process. The course involved two industry placements. For the final year project I produced an online fingerprint passport and check-in system for air travel.		
	2/2001 - 6/2001	San Francisco State University	San Francisco, USA
	Student exchange program I studied Macromedia Flash 5 (Actionscript), presentation design, and traditional printing methods.		
	Operating Systems	Applications	Languages
	Apple Mac OS 7-9.x Mac OS X	Adobe Acrobat 3-5 Adobe Illustrator v7-10 Adobe ImageReady v1-7 Adobe InDesign v1-2 Adobe Photoshop v4-7 Adobe Type Manager AutoCAD Macromedia Dreamweaver v2-MX Macromedia Flash v3-MX Microsoft InterDev v1 Microsoft Office v97-XP (Word, PowerPoint, Excel, Access) Pro Engineer	Actionscript ASP (VB Script) C++ HTML + CSS PIC PHP SQL
